

Dear Sponsor:

We are pleased to inform you that Fr. George Shalhoub and The Basilica of St. Mary will be hosting the 9th Annual Michigan Fun Fest in Livonia, on June 15th, 16th, 17th & 18th of 2017.

The purpose of this festival is to bring the Detroit Metropolitan community together for a weekend of fun, music, fellowship and to support the construction of the Mariam Center Project. The past success of the festival has helped the Basilica of St. Mary to purchase five and a half acres on festival grounds upon which the proposed Mariam Center project, (a retirement and assisted living community) will be constructed and it has helped fund many outreach programs hosted by St. Mary's Church which impact the entire Detroit Metropolitan community. In the past 8 years, the Festival generated over \$207,000 in net revenue. In 2015 alone our net revenue was \$46,668. This amount does not include the money raised for other local organizations which the festival has partnered with including Livonia Public Schools, the Boy Scouts and FOCUS Detroit. Our partners are different every year, but we always partner with local organizations and educational institutions so that we can truly benefit the entire community.

The Festival will take place on Merriman Road, between Six and Seven Mile. It will feature exciting entertainment that includes thrilling carnival rides, live music, a food truck rally, character meet-n-greet and over 20 vendors featuring carnival food and the finest Mediterranean cuisine in this country. Enjoyment for the entire family!

The Festival is a cultural celebration that ties our neighboring cities together by offering an experience that is like no other in the Detroit Metropolitan Area. It is estimated that over 25,000 people attended the festival last year.

Sincerely,

Freddy Sackllah, Esq. Chairman
